**Subject:** Recommendation for Galal Zaki

Greetings,

I am writing to recommend Mr. Galal Zaki for a faculty position at GAPP, Mr. Zaki has worked with the Management Center conducting our courses in the Public Relations in association with the Chartered Institute of Public Relations in the UK as well as the advertising courses for the International Advertising Associations offered by the Management Center.

Mr. Zaki is very knowledgeable and has both the theoretical and practical knowledge that ensures conveying knowledge and skills to students in an interactive comprehensive manner, he has always been admired and recommended by his students and has always been supportive to the administration of the Management Center.

I would highly recommend Mr. Zaki for a faculty position as he will be a great addition to the school.

I am at your disposal if you need further information.

Best regards  
Amr
